CSCI 2850
Lightning Talks

November 29th, 2005
December 6th, 2005

The Fall 2005 CSCI 2850 class invites you to a two-week series of lightning talks on Perl, web servers, Firefox, JavaScript and other web-related topics.

Lightning Talks are 5-minutes long and can be about anything: a new idea, an evaluation, an observation, a story, a complaint, an explanation, a suggestion, a report of success or failure, a call to action, a description of a technique, technology, or a lament.
