CSCI 2850
Lightning Talks

Tuesday, December 5th, 2006
The Fall 2006 CSCI 2850 class invites you to an evening of lightning talks on Perl, Firefox, Flash and other web-related topics.

Lightning Talks are 5 minutes long and can be about anything: a new idea, an evaluation, an observation, a story, a complaint, an explanation, a suggestion, a report of success or failure, a call to action, a description of a technique, technology, or a lament.
